

Departmental Notice #10

September 28, 2000

Indiana Sales Tax Levied on Motor Fuel Effective October 1, 2000 the Sales Tax Suspension Continues

This document does not meet the definition of a "statement" required to be published in the Indiana Register under IC 4-22-7-7. The purpose of this Notice is to provide general information about sales tax collections on motor fuel.

Governor Frank O'Bannon extended the suspension of sales tax on motor fuel which was previously scheduled to expire September 30, 2000. No termination date has been set for the tax suspension. If the suspension continues for the full 120 days allowed under the state's energy emergency law, it would end on October 25, 2000, 11:59 PM.

You will receive further notification when a termination date is officially set, which also reinstates prepaid sales tax.

For further information concerning the prepayment rate on gasoline (4.6 cents), see Departmental Notice #2, dated June 1, 2000. Motor fuel distributors and retailers who have questions about the sales tax reinstatement should telephone the Department at (317) 232-2339.

Kenneth L. Miller
